Arab Wadi Hawareth are now settled on a piece of state domain land, abutting on the main Haifa-Jaffa road, on the borders of the Tulkarm S.D. in the neighbourhood of Hadra. They were moved to this area with the sanction of the District Commissioner after their eviction in 1931, from the lands, formerly occupied by them, sold to Jews by absentee Lebanese landowners.

The allocation of a piece of state domain land for a school & a garden in long overdue & is now made because the area falls within the proposed Jewish state under the Partition scheme.

The proposals now submitted involve no matter of principle & will at the same time safeguard the rights of the Arab with the success Govt.

For all these reasons, I suggest we now convey the conveying authority sought by the D.L.S. in form (1).

I agree
